en?

ib?

You... you
weren't
breathing
earlier...

Err?

That is...

That's
gooodddddd...

This is
crazy
about...

Err?

If you don't
wake up even
if you're
breathing, then
what should
I do...

CPR

You... you fell
into that river-like
place...

When I was going
to pull you up, you
you

So does
it mean

I'm very
conscious
now...

No... it's
not that

You look
dizzy

Are you alright?
Are you feeling
it?

Is that so...

I'm fine

Fine

We haven't
known each
other for long

It's not that
easy to trust
each other, and
not like we have
a lot to talk
about

But

I hope you
can promise
me something

Don't cry
alone silently

Think I'm with
you when it
happens,
okay?

Ah, you're already thirteen.

I can't put you on par with a nine year old.

Since you forgot everything about yourself!

Maybe you even forgot your gender?

That really happened?

...um...
You're being kind of rude, aren't you?

It's been a while since we met.

Now, think about my gender.

Nine years old...

How did I think it up?

The nine years old thing...

Back to the topic, now...

The me in the picture in that room was also from when I was nine...

It should be unrelated, right?

What is
actually
going on?
